All Volunteers

The screenshot shows a mobile application interface. At the top, there's a header with a home icon, a URL bar showing '-17583.herokuapp.com', and a red refresh button. Below the header is a purple COVID-19 logo and a three-line menu icon. The main content area is titled 'Your Event Participants' and contains a table with four rows of data. The columns are: Sr.No, Participant Name, Participant Contact, Address, Assigned Work, and Add Work. Row 1: Priya, 9645512370, Delhi, supply mask in 10 houses, Edit. Row 2: H, 5, Hingna, Distribute Masks, Edit. Row 3: Vaishnavi, 9226655778, Work is not allotted, No work Assigned, Edit. Row 4: Harsh Pareek, 9331122445, Work is not allotted, No work Assigned, Edit. At the bottom of the screen is a red footer section containing 'About Chikitsa', 'Designed and developed by the students of GHRCE for the COVID 19 National Bioinformatics Online Hackathon.', 'Guided By:', 'Dr.Prashant Borkar', and 'Prof.Pranay Saraf'.

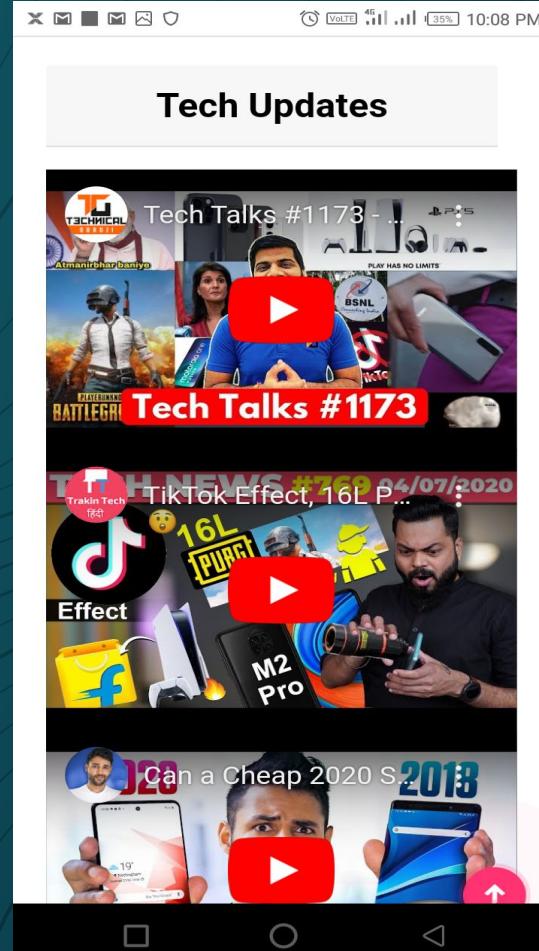

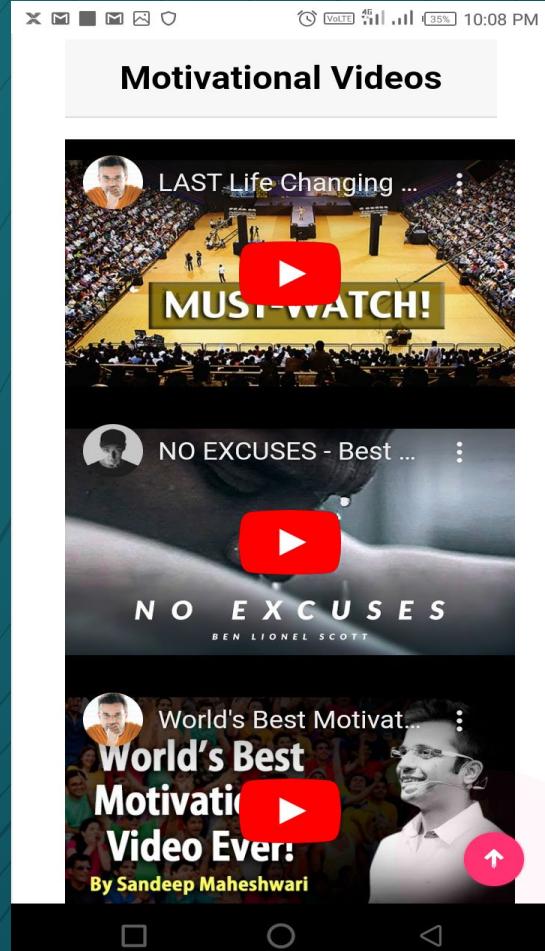

Assign work to volunteers

The screenshot shows a mobile application interface. At the top, there's a header with a home icon, a URL bar showing '-17583.herokuapp.com', and a red refresh button. Below the header is a large blue COVID-19 icon. The main content area is titled 'Home - Assign Work' and features a large 'Add Participant' button. Below it are two input fields: 'Participant Work' and 'Work Address', each with a placeholder 'Participant Work' and 'Work Address'. At the bottom is a large pink 'ADD WORK' button.

Your Work

The screenshot shows a mobile application interface. At the top, there's a header with a home icon, a URL bar showing '-17583.herokuapp.com', and a red refresh button. The main content area is titled 'Participated Event' and features a large blue icon of a hand sanitizer bottle labeled 'HAND SANITIZER'. Below the icon, the text 'Event Name: Distribute Food' and 'Organizer:Vaishnavi' is displayed. A contact number 'Contact:92244331122' is also shown. At the bottom is a table with four rows of data: 'Event Date:' (2020-06-27), 'Your Work:' (supply mask in 10 houses), and 'Work Address:' (Delhi).

Government Services

This screenshot shows the home screen of a mobile application titled "COVID-19 Government Services". At the top, there is a purple COVID-19 icon and a navigation menu. Below the title, a large section is dedicated to "MHA Guidelines" with a green background, featuring a hand holding a document icon. Another section below it encourages users to "CONTRIBUTE" to PM CARES, showing a photo of Prime Minister Narendra Modi. At the bottom, there is a red banner for "COVID KATHA" with the subtitle "A Multimedia Guide for Mass Awareness".

This screenshot shows the home screen of the "AatmaNirbhar Bharat Abhiyan" app. It features the "mygov" logo and a portrait of Prime Minister Narendra Modi. A blue banner at the top encourages users to stay updated about COVID-19 through infographics and videos. Below this is a large red button with a padlock icon and the text "GUIDELINES FOR PHASED RE-OPENING #UNLOCK1". A yellow button below it says "Apply For movement pass" and "Click for Details".

This screenshot shows the "Myth Busters COVID-19" section of the mygov app. It has a yellow header with the title "Myth Busters COVID-19". It includes a legend where a red circle with a white cross means "MYTH" and a green circle with a white checkmark means "FACT". There are four entries: 1) COVID-19 spread through consumption of chicken, eggs and meat (MYTH, with an icon of a rooster). 2) COVID-19 spread through pets (FACT, with an icon of a dog). 3) Dead body of a person infected with Corona Virus transmit the infection (FACT, with an icon of two people). 4) Vaccines are available for treatment of COVID-19 infection (FACT, with an icon of a syringe). A small note at the bottom right says "Dated: 23 March 2020". Below this is another section titled "MYTH BUSTERS COVID-19" with a pink header, containing one entry: "The incubation period is up to 5 days" (MYTH, with an icon of a person sneezing).
